The Department of Youth and Young Adults, and the Youth Council of DYCA, do not condone smoking at diocesan youth events. While smoking is an issue to be resolved between individual youth participants and their parents, we endorse the General Convention Statement as follows:

The General Convention of the Episcopal Church meeting in Phoenix, Arizona, resolved that "all members of this Church (be reminded) that they have a responsibility for the care of their body as the temple of God, which includes a healthy diet and regular exercise and the avoidance of all types of substance abuse."

We at St. Francis in the Fields Episcopal Church also regard this statement to be appropriate for our youth program.
