

# *Ground Rules*

**for Tuesday Bible Study Small Groups**

1. We will start and end ON TIME.
2. We are here to offer CARE in the form of PRAYER.
3. We covenant to maintain CONFIDENTIALITY.
4. We will relate to each other with RESPECT and GRACE, not with advice.
5. Everyone has the right to "PASS."
6. We will be thoughtful in the length of our comments so that others who wish to speak will have the opportunity to do so.
7. We will encourage one another with our questions by relating them to the topic at hand, keeping the focus on the Bible and avoiding Church politics, government politics, popular books, and denominational differences.

# *Prayer Request*

## Guidelines

**Tuesday Bible Study is a life-application Bible study. To that end, we suggest that prayer requests:**

1. Concern yourself or people in your immediate circle of concern, your family, and most intimate friends. Part of your prayer request should be how God can use you to minister to this particular person.
2. Concern spiritual growth, hearing God more clearly, following His directives in challenges you are facing, or ways in which He is calling you to serve.
3. Ask the Word to transform you and make you aware of ways God is prompting you to change and grow.

If your prayer request concerns someone outside your immediate family, please make sure that it does not concern anything (illness, personal problem, etc.) that the person would prefer be kept confidential.

We ask that the groups pray with expectation and seek to see God working in our lives, refining us and transforming relationships.

**TBS prayer requests are to be kept confidential within the group.**
