

### March 18: James 4:1-12

1. In verses 1-3 James gives us a profound analysis of human conflict. What is his answer? "What causes quarrels and what causes fights among you?"
2. In verse 2, is James accusing members of the church of physically killing each other? (Hint: read Matthew 5:21-22 before you answer).
3. Ponder verse 3. Is every desire a good desire? How do you tell the difference between a good desire and a bad one?
4. In verse 6, what does James say is the antidote to the prideful desire that causes quarrels?
